Newark, N.J.

Dear Mrs. Manley:

Your most recent letter, dated May 4 received.
As per your request, enclosed you will find the Phila.
Stars probable lineup with numbers along with a publicity
story.

What do you mean when you ask for word regarding
the assignment of umpires?

I will take care of the assignments just as soon
as we get things straightened out. As matters now stand
I am definitely sure of McCrary who is coming up with
the Elite's. Tom Wilson wrote me to-day and advised that
he heard Craig is not in a position to umpire this season,
so it looks like our second man will be either Crump or
Turner.

I have written Posey to check up on Craig and
as soon as I get an answer I'll advise who will work
your games next week-end. Meanwhile get yourself a base
umpire, the same as we did last season.

I am assuming that you are playing the Cubans
in Trenton next Saturday, May 13. Advise starting time
of game.

-2-

Will send you a schedule in several days.

Regarding Toledo and the Chester Williams case, we are getting no where fast. I offered to send Williams to them on several occasions, providing they would send the money I spent on him, but it seems that they don't understand the proper procedure.

They think I should send him and wait for the money until they get ready to pay it. Maybe that's why most of their players are not reporting. You know what our experiences are with our own men, it being necessary to send transportation and advances before they report, and Toledo will have to learn this before they make any headway.

I would suggest that you write Rigney and advise him what to do under the conditions. I definitely promised that if Williams did not report to them he would be suspended by the League and would not be allowed to play with any team in the Negro National League.

I would, however, not assume any responsibility for Chester Williams leaving the Country to play somewhere else, as that is a chance all of us take with our players.

What do you think of the matter. Regards.

Sincerely,

E. Gottlieb
